

TRANSDISCIPLINARY SCIENCE

IDS 6938 CRN: 97042

*Instructor/Coordinator: Howard Goldstein,
Associate Dean for Research,
College of Behavioral & Community Sciences
Wednesday, 3:30 – 5:00*

Attention ALL graduate students.
Learn about solving problems
global in scale, such as the
current COVID-19 Pandemic.
Explore how to contribute
your knowledge and skills
to transdisciplinary teams
by learning about trends in
scientific thinking, policies,
initiatives, and terminology.

Sign up for this one credit topical seminar, meeting
online Wednesdays 3:30-5:00.
